Mattapoisett COA Celebrates 25 Years

By Kenneth J. Souza

Seniors in Mattapoisett celebrated the silver anniversary of the founding of the town's Council on Aging (COA) this past Tuesday during a special luncheon at the Mattapoisett Senior Center on Route 6. Current COA Chairman Josephine Pannell welcomed everyone and noted that two special "Honor Rolls" listing the 71 members of the COA since its inception in 1972 have been prepared for the occasion — one of which is on display in the Senior Center, the other to be displayed at Town Hall.

"Our special guests are those that have served as members of the Council on Aging over the last 25 years," Ms. Pannell said. "This luncheon is in your honor ... and affords us the opportunity to recognize the service, care and concern you've shown for the seniors of Mattapoisett by sharing your time and your talents."

A town-supported organization which works to serve the needs of Mattapoisett residents aged 60 years or older, the Council on Aging had its beginnings in helping to coordinate local programs for the aging with state programs. The first incarnation of the COA boasted only eleven council members who met on the second floor of Town Hall.

One of the first eleven original COA members was Kay Abrams, who was present for the silver anniversary festivities this week. "We started by getting a list of all the seniors in town and I typed all their names on index cards," Ms. Abrams said. "Some said what that they would like and we organized from there."

Indeed, the COA has blossomed since its early days. To date, there is an estimated 1,400 seniors in Mattapoisett — nearly double the 810 seniors estimated in 1972.

"The Executive Office of Elder Affairs (EOEA) wants us to recognize the volunteers and I thought this was one way of recognizing their efforts," said Ms. Pannell. "Not only to thank the COA, but also the Friends of the Elderly and FISH, both of which provide great support to the town."

Superintendent to Retire

Joan Walsh Begins Final Year at ORR

By Kenneth J. Souza

After an impressive 42 years working in education — 20 of which have been spent right here as Superintendent of the Old Rochester Regional School District — Joan Walsh announced recently her plans to retire at the end of the current 1997-1998 school year, effective June 30, 1998. Having made a "serious commitment" to the school district and the parents and students of Mattapoisett, Marion and Rochester over the years, Ms. Walsh said it was time to step down and allow someone else to take over the reins for a change.

"I had made a plan in 1992 that 1998 would be my last year," Ms. Walsh said. "It's been 20 years. I'll be 63 in May. When you retire, you just don't retire — you make a plan."

After two solid decades of service, Ms. Walsh will be leaving ORR and the local school systems without any regrets. She is proud of the many accomplishments that have been made over the years including advancements in Special Education, the Project GROW program, the Early Childhood Development Program, the Tech Prep Program, and the School-to-Work Program.

"Certainly I will miss my work," she said. "But this was a very sound place educationally when I got here, and we've built on that over the years."

Ms. Walsh admitted it has not always been easy dealing with such a large regional school system which encompasses three elementary programs, a junior high school, and a senior high school. Not to mention meeting with four School Committees each month and having to prepare budgets which meet the approval of all three towns and their respective Finance Committees.

"It certainly has been a challenge to work with

four units and four budgets to consistently turn out, year after year, the kind of graduates we do," Ms. Walsh said. "A budget is a budget ... and there are three Finance Committees and three Town Meetings to go through, so there are a number of people who have to be in agreement."

Having moved to Mattapoisett on July 28, 1978 to begin her tenure at ORR, Ms. Walsh praised the local communities for their commitment to education. "These towns are wonderful places to raise children," she said. "We're fortunate that people in this community understand that education is an important part to the area's quality of life. The parents and town officials have all been very supportive."

As the longest serving woman superintendent in the Commonwealth of Massachusetts, it is clear that Superintendent Walsh's impact on the area will not soon be forgotten. Under her leadership, the district and the tri-town communities formulated a comprehensive "Philosophy of Education" which the Superintendent has applied consistently in her decision-making.

"(Ms. Walsh) has always put the children and the school system first," said Susan Grosart, Chairman of the Massachusetts Superintendency Union No. 55. "Her very demanding schedule includes dealing with three different towns and four school committees. She has worked tirelessly to implement the far-reaching Education Reform Act of 1993."

Andrew Jeffrey, Chairman of the Old Rochester Regional District School Committee, agreed, saying: "(Ms. Walsh) has worked hard to ensure that children from all three towns were given a first class education. She has dedicated her life to public education and this dedication and caring for our children has helped prepare them for the future."

And what are Ms. Walsh's plans for the future after her retirement next June?

"I enjoy very much going to museums, so I would have more time to do that," she said. "I expect to travel ... and I haven't been able to go to the theater as much as I would like. I like to read and I'd like to spend more time with my family."

"This is a serious commitment, especially at night," Ms. Walsh said of the superintendent's position. "So while I can still walk and climb stairs, there are some places I'd like to see in this world."

School Committee members and members from the Tri-Town area will be meeting next week to discuss the process for search and selection of a new Superintendent of Schools. Once that date is set, the public will be informed and invited to attend.

Mattapoisett Selectmen's Meeting

September 16, 1997

By Pamela L. Sylvia

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, September 16 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Paul R. Lambalot, Selectman Michele Bernier, and Executive Secretary Carol Adams.

After approving the minutes from September 9 meeting and the Executive Session minutes from September 2 meeting, Chairman DeCosta began by congratulating Selectman Bernier for the fine Open Space presentation given to the public at Old Hammondtown School on September 15. In return, Selectman Bernier thanked her fellow Selectmen on the board for their support.

Under incoming correspondence for the week, the board received:

- A memo from Fire Chief Ronald Scott advising that he, along with Captain Leroy Jones, have been accepted into the National Fire Academy for an investigation class beginning September 22;

- A letter was received from Attorney Arnold Cestari Jr. informing the board that a fund raiser will be held on Saturday, September 20 in the form of a softball marathon. Funds raised will go to "Stop Handgun Violence." The softball marathon will take place at Old Rochester Regional Junior High School;

- An invitation for the board to meet the C-SPAN staff and tour the C-SPAN School Bus on Tuesday, September 23 at 9:30 am at

the Marion MediaOne Office;

- Correspondence from Town Counsel Daniel Perry forwarding the history of his role in the request of the Department of Environmental Protection (DEP) that the town execute an Administrative Consent Order pertaining to the landfill;

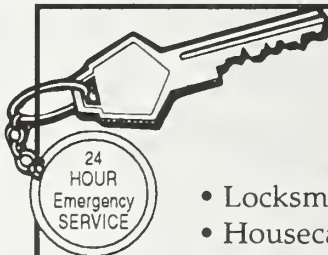

- A letter from Paul Taurasi, Regional Director of the DEP, who addressed the closure of the Mattapoisset landfill and the scheduling of a Special Town Meeting for the purpose of voting on the capping and closure of the facility and the approval of the Administrative Consent Order;

- Letter from Albert Theriault thanking the board for his recent interview and appointment as a Personnel Board member.

On the agenda at 7:30 pm, the board met with Nicholas S. Bryan-Brown, C. Susan King, Michele Bissonnette, Diane H. Perry, Dale Hopkinson, Paul F. Benac, Joseph M. Booth, Lisa Yauch-Cadden and Patricia A. Rodrigues who are all to be appointed to the town's new Committee of Disabilities.

At the Special Town Meeting on October 14 an article will be placed on the warrant to vote for the establishment of a Commission on Disabilities. One of the larger duties of board members will include working with Building Inspector Andrew Bobola on the renovation of several buildings in the town. The Board of Selectmen made a motion to appoint these nine people to the Committee on Disabilities, which was passed unanimously.

At 7:45 pm, the board met with members of the Board of Health (BOH) regarding the approval of the Administrative Consent Order (ACO) between the town and the DEP. The Board of Health and Board of Selectmen both agreed the ACO was a fine plan for closing the landfill. The Executive Secretary must add an article to the warrant for the next Town Meeting, plus she must also send a

copy of the order to the DEP. The vote was unanimous.

At 8:00 pm, the board met with Building Inspector Andrew Bobola, Planning Board Chairman Chris Jaskolka, and Attorney Mark Bobrowski regarding the AT&T cellular network and its plans for the Mattapoisett area. AT&T is interested in placing a pole with an antenna on the top of it, or attaching a radio frequency device on one of the already-existing points in town. The only problem with finding an already existing structure is the fact that the pole must be taller than 100 feet for it to be effective.

There are two sites already in place in the Fairhaven and Wareham areas. What AT&T is looking to do is to find an area in town which will be in the center of the two already-existing sites. The best place they spotted in Mattapoisett was behind the Knights of Columbus building on Route 6. They had been looking very

closely at the area around Route 195, but because of close residential proximity, it turned out to be not a good idea.

AT&T is prepared to offer the services of a by-law writer who can come up with either a by-law or an article which will be placed on the Special Town Meeting warrant. This person will be provided at no cost to the town. The plan is pending until more research can be completed.

With no further matters to come before the board, the unanimously voted to adjourn for the evening.

Marion Selectmen's Meeting

September 16, 1997

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, September 16 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectman Albert E. Winters, Selectman Jonathan "Jody" Dickerson, Executive Secretary Ray Pickles, and Secretary Helene Craver.

After signing treasury warrants #11 and #12 for the week and approving the minutes of the September 9 meeting, the board met with Department of Public Works (DPW) Superintendent Robert Zora to get an update on the workings of the DPW. Mr. Zora recently returned from vacation, and he wanted to thank his department members and staff for "doing a great job" while he was away.

The board asked Mr. Zora what the DPW will be working on in the weeks ahead. "We're busy working on the ultraviolet building (at the Wastewater Treatment Facility)," Mr. Zora said. "It's going to be a good-sized building and things are coming along

nicely."

Mr. Zora also noted that they have begun resurfacing and repaving sections of Pleasant and Spring Streets with a new "microseal" material that was purchased with Chapter 90 funding. "This (material) seems to have a very good integrity on wider surfaces," Mr. Zora said. "And we expect to get 10 to 15 years of wear. This is a good trial area because these roads are well-traveled." Mr. Zora said they will be soliciting bids to purchase a new fuel tank for the Town Barn with money appropriated at the last Town Meeting.

Chairman Schaefer noted receipt of a letter from Roberta Dunn Tracy of Joanne Drive who wanted to call attention to the sewer openings on her street and also stress that there is a serious amount of water draining in front of her house during heavy rain

storms. "I've talked with (Ms. Tracy) and I've observed a 30-inch by 12-inch puddle in front of her home," Mr. Zora said. "There is a problem in that area, but the (drainage) is a very thin layer (of water). I've met with (the developer) and he is willing to do whatever is necessary to bring the road up to (town) specifications."

Ms. Tracy also had some concern over the catch basins and retention ponds in her neighborhood. "I can't help but wonder about the children who may be visiting a playmate or children from another area coming to this neighborhood and encountering this danger," she wrote.

Mr. Zora said he agreed with Ms. Tracy on this point — in fact, it is also a concern of his.

"I think we should ask the Planning Board to not accept any more streets with this design," Mr. Pickles said. "Maybe we should consult (Town Counsel) about our liability on those roads."

Lastly, Chairman Schaefer wanted to know about a sewer extension project along Point Road. "The original plan we approved was to extend the sewer line to Coolidge Estate," she said. "I've noticed (the line) has gone past Coolidge Estate." Mr. Zora said he would review the original plans which were approved for the project to see why the line has been extended to that point.

Under incoming correspondence for the week, the board received a letter of resignation from Anne Croke Shoemaker who is stepping down from her position with the Planning Board. Ms. Shoemaker noted that her continuation on the Planning Board while she is Chairman of the Circulation Subcommittee "will divert energy away from the more important issues the town faces and that the Planning Board must address."

As such, the board unanimously voted to accept Ms. Shoemaker's resignation, effective immediately. Chairman Schaefer

also noted that anyone interested in applying to fill the vacancy on the Planning Board should submit a letter and resume to the Board of Selectmen, c/o Marion Town House, 2 Spring Street, Marion, MA 02738. The appointment will be made jointly by the Board of Selectmen and Planning Board.

Shellfish Officer Charles Bradley next informed the board that the quahogs which were planted at Hammett's Cove on May 25 are now strong and healthy and ready to be harvested. As such, Mr. Bradley has requested that Hammett's Cove be reopened for shellfishing, effective September 15. The board unanimously approved Mr. Bradley's request.

The Volunteers At Sippican Elementary (VASE) along with the Visiting Nurses Association and the Marion Police Brotherhood sent notification that the annual Rummage Sale will be held at Howard Johnson's Arena on Saturday, September 20 from 9:00 am to 4:00 pm, with a bag sale to follow on Sunday, September 21 from 8:00 am to 11:00 am. Jo-Anne Gibbs, who is working on fundraising for VASE, requested assistance from the DPW in providing and putting out trash barrels for the event. Mr. Pickles said the DPW usually provides this service every year.

Mary Schmidek of the Marion/Mattapoisett/Rochester League of Women Voters next sent a letter to the board advising that the LWV is working to broadcast all meetings of the various town boards over their local cable channel. The group has been working with Debbie Stinson at MediaOne and they would like to begin taping the Board of Selectmen's meetings in the near future.

Mr. Pickles sent a reply to Ms. Schmidek along with a copy of the rules and regulations for videotaping the Marion Board of Selectmen's meetings. Mr. Pickles also requested advance notice of when they propose to start taping the meetings.

The Marion Tree Planting Committee next sent notice that they will hold their First Annual Arbor Day planting at Fire Station #2 on Point Road on Friday, September 26 at 10:00 am. Following this, they will also be planting a tree at the Post Office at approximately 11:30 am. The committee requested that the board attend either or both of these events.

Mr. Pickles sent a memo to the board recommending that the town's building department inspectors' fees be increased, effective October 1. Mr. Pickles suggested increasing the rate of inspectors who use their own vehicles from \$15 to \$16.50 per inspection, and inspectors who use a town vehicle should be increased from \$13 to \$14.50. Mr. Pickles also submitted a survey of area town rates, which places Marion's rates somewhere in the middle. (Mattapoisett pays \$15 per inspection; Rochester pays \$20 per inspection; and Fairhaven pays \$17.45 per inspection).

Brenda Gibbons of the Marion Cultural Council next sent a letter to the board requesting that they appoint the following to the council: David Hirschberg, Phil Sanborn, Bob Linde, and Dick Anderson. The board unanimously voted to appoint all four to the Marion Cultural Council.

Marjorie E. Josephson of Wilson Road next sent a letter requesting that she be appointed as a Fence Viewer for the town.

WHEN LOW OFFER PRESENTED

Even though you may be selling your home at a fair market value, expect most buyers to offer a lower price. In fact, a first offer can be low by thousands of dollars. Some buyers play the low-ball game, of "What have I got to lose by coming in with a ridiculous bid?" It happens.

If the owner is trying to sell the home himself, he may panic and think he has overpriced his home. He might make the mistake of calling the prospect back and asking if he would be interested in buying at a price a little more than the low offer but much

less than the property is worth. Now he becomes an anxious seller. The prospect is led to believe that his tactics have worked and may even insist that the price be reduced further by the amount of the broker's commission.

This won't happen when you sell through our office. Verbal offers don't work. Every offer must be in writing and accompanied by a check. No panic, just a business like approach.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

However, Chairman Schaefer noted that the board appointed Mr. Pickles and Albert W. Richards each for a one-year term through May 31, 1998.

At 7:30 pm the board met with a representative of NYNEX and residents from Cross Neck Road to discuss plans to relocate a series of 15 utility poles to provide service to an estimated six new lots in the area. Residents were concerned about having to cut down and/or trim many of the scenic trees along the road to accommodate the new poles.

"We're concerned about keeping (the road) a country way," said resident Jeffrey Osborn. "Cutting the trees would alter the look of the road ... and I'm opposed to it. Isn't there a way you could run the (utility lines) underground?"

The NYNEX representative noted that they are required by state law to provide service to whoever requests it and "at the cheapest rate possible." While NYNEX is not opposed to running underground lines, they share the utility poles with the electric company, and it would be very costly for them to run electrical service lines underground. "You're looking at an additional \$20,000 or \$30,000 which we can't force the (developer) to spend," he said.

After discussing several options with residents, an alternative plan was presented which would be submitted to the NYNEX engineers for their approval. The board unanimously voted to approve this new plan as amended.

At 8:00 pm the board met with members of the Growth Management Committee regarding the submitting of the town's Open Space Plan to the state for final approval. "We're about 99 percent completed ... and we just need to update all the data," said Lee Hayes. "I would love to be able to have this in our pocket before the next budget meetings — maybe we can shoot for January 1?"

The board agreed that it would be beneficial to have the Open Space Plan in place as soon as possible in order to make the town eligible for future funding options. Chairman Schaefer agreed to send a memo to the various elected boards requesting their final input on the document before it is submitted to the state.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:35 pm.

Rochester Selectmen's Meeting

September 15, 1997

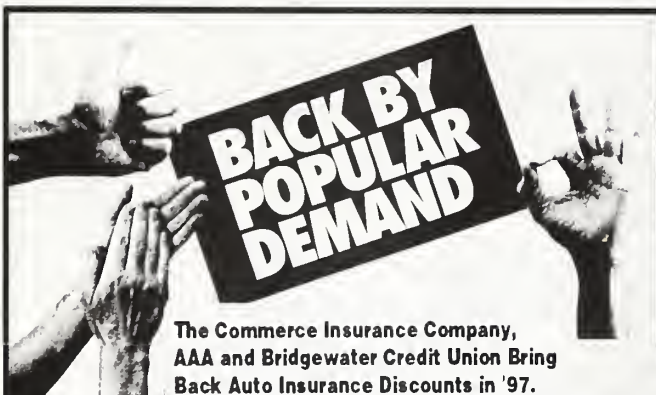

By Pamela L. Sylvia

A regular meeting of the Rochester Board of Selectmen was called to order on September 15 at 7:00 pm by Chairman Richard Cutler. Also in attendance were Selectman William Chamberlain, Selectman Lorraine Roy Hawkes, Executive Secretary Russell Dean, and Secretary Veronica Lafreniere.

After approving the minutes of August 25, September 2 and September 8 meetings, the board heard the Executive Secretary's report for the week. Last week Amy Johnson proposed two new articles for the upcoming Special Town Meeting warrant on October 27, 1997. The articles are to rezone the agricultural and residential family lots from 1.5 acres to 2 acres.

The board was concerned whether or not it would be a problem for the Executive Secretary to change a few things in the articles. Would the 100 people who signed the petition agree to the revision of the articles? Executive Secretary Dean asked Town Clerk Naida Parker to look into the statutes for the articles. She spoke with a member of the Attorney General's office, who reassured her that there would no problem in changing the article slightly. "The article will probably be amended at the Special Town Meeting," Ms. Parker said.

Chairman Cutler thought about the issue for a moment. "We'll have (Ms. Johnson) take a poll of

petitioners," he said. "She'll bring that information to us, then we'll go from there."

Other information from Executive Secretary Dean included:

- There is some question as to how much funding is available for a new police cruiser. The board wanted to know if any Free Cash were available, but Executive Secretary Dean said no. The board made and passed a motion stating they would look into the matter further. Selectman Chamberlain abstained from voting;

- Presently there are six articles up for vote at the Special Town Meeting.

At 7:25 pm, the board met with Darren Andreen from NYNEX regarding a Pole Hearing for Neck Road.

NYNEX would like to relocate several poles on the east side of Neck Road, about 1500 feet from Burgess Avenue. The old poles will simply be removed. The board asked if any abutters were present. The only question asked was whether this would interrupt service. That answer is unknown for the time being.

The board felt the relocation of the telephone poles was a fine idea. They made a motion and passed work order #937584 to allow the poles to be relocated on Neck Road.

Under incoming correspondence for the week, the board received:

- A letter from Augusto B. Costa, Chairman of the Cable Advisory Committee, regarding a DPU licensing for cable companies. He believes that it would be better for cable companies to have a local flavor;

- A letter from George Butler Jr., who would like to meet with the board regarding a reserve police officer. He is willing to meet with the board at their convenience;

- A letter from Marion L. Mott regarding the fact that she was not made aware of the Public Hearing held for Murphy's Auto Salvage two weeks ago. She was notified about the meeting by reading it in *The Wanderer*. She was expressing her displeasure because she did hear about the hearing beforehand, so she could not voice her ideas and views at the hearing;

- A memo from the Planning Board to Executive Secretary Dean expressing their wishes for him to not

place the article on the Town Meeting warrant for the rezoning of Mr. and Ms. Burton Smith's property to General Commercial. A Public Hearing involving this matter has been scheduled for September 23, 1997;

• A memo from Town Clerk Naida Parker informing the board she received the memo the Selectmen sent her on September 11. She has done some research on stop signs, as well as looking into how one particular article should be presented at the Special Town Meeting.

With no further business to come before the board, they unanimously decided to adjourn for the evening.

Acushnet Selectmen's Meeting

September 15, 1997

By Kenneth J. Souza

A regular meeting of the Acushnet Board of Selectmen was called to order at 6:00 pm on Monday, September 15 by Chairman Robert J. St. Jean. Also present were Selectman Everett L. Hardy, Selectman Peter W. Koczera, and Executive Secretary Elaine G. Miranda.

The board first met with Town Accountant and Financial Director Alan Coutinho and Treasurer John Nunes to review the weekly status of the town's financial matters. Mr. Coutinho first noted that Irwin Marks had approached him about Acushnet handling the financial accounting for the emPOWERment group which has recently formed with several area communities in search of municipal electrical resources.

"I've checked with the Department of Revenue (DOR) and they had no problem with our handling the finances ... as long as it's not long-term," Mr. Coutinho said. "I just wanted to get the approval of the Board of Selectmen to proceed."

The board unanimously voted to allow Mr. Coutinho to arrange the financial matters on behalf of the

town for the emPOWERment organization as per their request.

Both Mr. Coutinho and Mr. Nunes, however, had some "bad news" to report regarding their ongoing struggle to reconcile the monthly financial statements for the town for the past fiscal year. "For the past three or four weeks we've been without our previous (Town) Treasurer and our current (Tax) Collector," Mr. Coutinho said. "We can't locate all the data ... as of tomorrow we are going to scrap everything and start again. We haven't resolved or reached our goal yet. We are going to start with June 30 (of 1996) and go through each month."

Mr. Nunes also informed the board that he had "found" \$18,000 which had been deposited into the town

accounts in April, 1997 as part of a Title V grant for the Board of Health. Receipt of these funds was never reported to Mr. Coutinho or the Board of Selectmen. "This \$18,000 popped into (our) account and the variance dropped by that amount for April," Mr. Nunes said.

With such variances and ongoing problems with reconciling the monthly statements, the Board of Selectmen was concerned about being prepared for the upcoming Special Town Meeting. "Will this affect Town Meeting?" Chairman St. Jean asked.

"Everything affects Town Meeting," Mr. Coutinho said. "We're at the point now where whatever discrepancies we find we can work out ... I'm confident we'll be able to go ahead with Town Meeting. We're short one person and we're going back and trying to recreate history which is both costly and time-consuming."

On a similar note, Selectman Hardy noted that he spoke with Town Moderator Bob Francis earlier in the week, and he is still concerned about accommodating the turnout at the September 29 Special Town Meeting in the auditorium of the Acushnet Elementary School.

“(The auditorium) can only accommodate about 700 — maybe 750 people,” Selectman Hardy said. “I talked with (Mr. Francis) about possibly moving the non-voters to an adjacent room ... and setting up an intercom or speaker system. Maybe we’ll have to plan on setting up a system where the meeting can be piped in to the individual classrooms.”

The board agreed to have Chairman St. Jean work

with Mr. Francis on making any necessary arrangements to prepare for the possible high voter turnout at the Special Town Meeting.

Under incoming correspondence for the week, the board received a request from the Board of Public Works (BPW) to seek the advice of Town Counsel regarding the "limitation of financial responsibility of an individual who authorizes the purchase of goods and services through his/her signature on a purchase order." The BPW wanted to know if the Town of Acushnet was responsible for these purchases once an employee has "signed off" on them.

Selectman Koczera moved to grant permission for the BPW to seek legal counsel, but Selectman Hardy refused to second the motion. "I disagree with this," he

FLEA PRODUCT UPDATE

Could you update me on the flea products that are available for dogs and cats?

There are two relatively new flea treatments which have revolutionized flea control, **Advantage** and **Frontline**. Both of these products are dispensed as drops that are applied to the skin once a month. **Frontline** is also effective as a tick preventative. In addition, **Frontline** is less affected by swimming and bathing than **Advantage**.

If my pets have infested our home with fleas, do I need to spray it to kill the fleas?

In the past you would have had to spray your home with insecticides or hire an exterminator. By using **Frontline** or **Advantage** on all of the dogs and cats in the house, the fleas will die when they jump on the animal.

said. "If a department head signs off on a line item, they cannot request additional funding. It's very clear in the by-laws. If a department head goes out and spends \$100 but the bill is only \$90 and the transfer is not authorized, then the town is not liable for the difference ... someone has to eat that \$10."

BPW Chairman Kenneth Souza noted that this request goes back to a discrepancy about one month ago as to who should sign the bills for the Department of Public Works (DPW) and whether such authorization should require the signatures of all board members or just the DPW Superintendent. "The BPW wants to review all bills before they go to (the Town Accountant) for payment," Mr. Souza said. "We're working on establishing a payment policy right now ... we intend to pay all our bills."

"That policy should be submitted in writing to (Mr. Coutinho) and the members of the BPW," Chairman St. Jean said.

Mr. Coutinho agreed that he was willing to accommodate whatever policy the BPW agrees to in authorizing payments and transfers for bills. "I'll agree to anything as long as it's in writing," he said. "Just make sure that your memo is very specific that if you sign off on a bill to authorize payment, you are not going to change your mind later on."

"I think the BPW needs to set their financial policy and stick to it," Selectman Koczera agreed. "And you need to have the BPW and the financial department

approve the policy."

At 7:00 pm the board unanimously voted to go into Executive Session for the remainder of the evening to discuss and meet with the following:

- Attorney Kevin Finnerty regarding Tax Collector Lillian Garbaciak's extended sick leave and related personnel matters;
- Robert Jones regarding an investigation into the town's billing procedures for water and sewer users; and
- Other pending legal matters.

There being no other business to consider, they would thereafter adjourn for the evening and not return to Open Session.

Letter to the Editor

To the Editor:

In a recent column in the New Bedford Standard-Times, I referred to a Mattapoisett town department head as having described Mattapoisett Selectperson Michele Bernier as "bad news."

Apparently I was very much mistaken — that he never has made any derogatory comments about Ms. Bernier and that he never has had and doesn't expect to have any difficulty working with her at all.

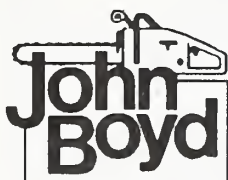

I deeply apologize for this error and will see that Ms. Bernier receives a copy of this apology.

Sincerely,
John Atkinson

kitten or an adult cat who desperately needs a loving home. The local chapter of Animal Umbrella, Inc. has several litters of kittens ranging in age from eight weeks to six months.

The group's featured pair this week is a set of female tigers — one all tiger with huge, round orange eyes, the other a tiger with white paws and bib. They are about five months old and would love to find a home together. If interested, please call Jane at 990-0514. Other offerings include six long-haired tigers at Jackie's (758-4690) and three long-haired gray kittens at Cecile's (996-6206), and a darling female tiger with double paws at Elaine's (758-6548), who also has a long-haired all-black female and an all-charcoal-gray male.

In the adult category this week, the group is still looking for indoor/outdoor situations for two tuxedo (black and white) neutered males — one small, the other very large. Also available is a sweet, petite black and white female, a gray male with white paws and bib who's a real nice cat and is under one year of age. Also available: a gorgeous short-haired tiger with white markings and double paws. All adults have been spayed, neutered, and vaccinated.

"Penny," the adult calico and "Ginger," the adult yellow female, were both adopted this week. The group's next Adoption Day at Denise's Pet Care Center on Route 6 in Mattapoisett will be held on Sunday, September 28.

someone to give them a new beginning. They include:

- Lab/Akita mix, a beautiful all-black male who is one-year-old and extremely friendly. This dog loves kids and desperately needs room to run and play;
- A Husky mix (male) who lost his tail in an accident and prefers an adult placement;
- A brown male pit bull who also needs an adult home.

If interested in any of these kitten and/or cat offerings, please call one of the following Animal Umbrella representatives:

- Mary Lou at 994-6168;
- Priscilla at 758-2896;
- Trudy at 990-7806;
- Susan at 758-4044.

The featured dog this week is one rescued from the shelter. "Benny," who now resides in a Mattapoisett foster home, is ready for adoption. He had been badly abused and is still finding it a bit difficult to trust people, but he so wants to. He is a neutered male (black and white) weighing about 25 pounds. He needs a quiet adult home with very caring people to give him the time he needs to forget his past experiences. If you can help "Benny" start a new life, please call Kristin at 979-4028 at the Fairhaven Animal Shelter to make an appointment to see him.

C-SPAN Bus Comes to Marion

MediaOne's Marion, MA system will host a visit by the C-SPAN School Bus on Tuesday, September 23 on its continuing tour of schools and cable systems across America. During its stop, the C-SPAN School Bus will be parked at MediaOne, 149 Wareham Road in Marion.

A 45-foot television production studio and demonstration center, the bus offers visitors a hands-on lesson about C-SPAN's unique brand of public affairs programming brought to you as part of MediaOne's continuing commitment to education and public service.

Visitors will also learn about C-SPAN's Alexis de Tocqueville Tour. As part of the tour, C-SPAN viewers will retrace Alexis de Tocqueville's remarkable 1831 journey that resulted in his classic book, *Democracy in America*. For nine months, the C-SPAN school bus will visit the same 55

Animal Tracks in Marion

Renowned nature photographer and animal tracker Paul Rezendes will run a one-day workshop on reading animal tracks at the Sippican Lands Trust, 589 Mill Street in Marion. An introductory slide presentation will be followed by an outdoor field trip in a Lands Trust Wildlife Refuge. When you learn to recognize the clues animals leave behind, you begin to understand how the forest "speaks." Children should be at least 12 years old. Bring a bag lunch. Space is limited, so pre-registration is required. The cost is \$15 for Lands Trust members, \$25 for non-members. Please call 748-2809 to register or for more information.

Craft Show in Fairhaven

St. Joseph's School in Fairhaven will be holding their third annual St. Nicholas Bazaar and Craft Show on Saturday, November 8 from 10:00 am to 4:00 pm in the school's gym. They are accepting applications from crafters and spaces are available for a small donation of \$40. Crafters are also asked to donate one item for the Chinese Auction. Applications may be picked up at St. Joseph's Rectory, 41 Walnut Street, in Fairhaven on Tuesday through Thursday from 10:00 am to 4:00 pm. Please have applications returned as soon as possible. Proceeds will benefit the children of St. Joseph's School.

Mattapoisett Cultural Council

The Mattapoisett Cultural Council is pleased to announce they have been notified of their allocation for the 1998 grant period. The money will be regranted by the local council to fund applications for community cultural programs and a children's ticket subsidy program called PASS.

The local council's allocation comes from the Massachusetts Cultural Council, a state agency administering over 15 grant programs, including the local Cultural Council Program. The Massachusetts Council receives its funding from the State Legislature.

The Massachusetts Cultural Council allocates money to 336 local cultural councils. The local councils, which are run by municipally-appointed community volunteers, accept applications from the community for projects in the arts, humanities and sciences that have a public benefit.

Organizations and individuals interested in applying for grants may pick up applications in the Selectmen's Office in the Mattapoisett Town Hall. Wednesday, October 15, 1997 is the statewide deadline for all local cultural councils to accept applications. If you have any questions, please contact Lois Murray, Chairperson, at 758-4949.

Arbor Week in Marion

Arbor Week in Marion will begin on Tuesday, September 23 when third graders in Mr. Hutchings' class will plant small trees in Holmes Woods to begin replacing

the many trees knocked down by high winds over the last several years. The little trees will be supplied by local landscaper Tim Crowley, who is a member of the Marion Tree Committee. Regular maintenance of the new trees will be a responsibility shared by all third grade classrooms under the general supervision of Mr. Hutchings.

On Wednesday, September 24, Sippican School students in Grades 4 and 6 will meet with Phil Mulville of the Lloyd Environmental Center for a special program about trees and all they contribute to our world.

At 7:30 pm on Wednesday evening (September 24) in Tabor Academy's Lyndon South, Mr. Jim McBratney of Sylvan Nursery in Westport will speak on choosing, planting, and maintaining trees in their home landscape. Every interested person is welcome to attend and to ask questions.

Arbor Week's final observance will be the planting of a columnar red maple at the new East Marion Fire Station on Point Road on Friday, September 26 at 10:00 am. September 26 has been proclaimed Marion's official Arbor Day by the Board of Selectmen, who will be present at the Fire Station for the planting.

The Marion Tree Committee, and the National Arbor Day Foundation, hope that local families and businesses will observe the occasion by planting trees during this week. Each tree planted enhances the environment now, and is a continuing gift to future

Charles LaPointe and Glena Williamson will present a workshop in theater makeup technique. These workshops are designed to allow all the participants to learn more about the performing arts in a fun, relaxed, low-key atmosphere. The great thing about these workshops is that you don't have to have any experience in singing, dance or art. So even if you have never acted, danced or hummed a tune on key, don't worry — these workshops are just for you!

Story Hour at Rochester Library

A Preschool Story Hour will be held at Rochester's Plumb Memorial Library on Wednesday mornings beginning at 10:30 am from October 1 through November 19, 1997. This eight-week series is open to children ages 3 to 6 and all are invited to participate in this interactive story and craft hour. The *In & Out* of homophobia is examined in hilarious new comedy

BY ROB GONSALVES

■ *In & Out*. Starring Kevin Kline and Joan Cusack. Directed by Frank Oz. Running time: 100 minutes. MPAA rating: PG-13. At Cinema 8 at the North Dartmouth Mall.

When Tom Hanks accepted his Oscar for *Philadelphia* and thanked his gay high-school drama teacher, he surely had no idea he was planting the seed for 1997's best comedy. Hanks' heartfelt homage to his mentor — who was already "out" and retired — is recreated, and given a fiendish twist, at the beginning of *In & Out*. Howard Brackett (Kevin Kline), a beloved high-school teacher in a sleepy Indiana town, is watching the Oscars along with a billion other people. His former student, the hot young movie star Cameron Drake (Matt Dillon), wins Best Actor and singles out Howard in his acceptance speech — and also outs him. Howard's fiancée (Joan Cusack), students, and parents are shocked — they had no idea Howard was gay. Then again, neither did Howard.

In & Out, sharply written by comic genius Paul Rudnick (*Jeffrey*, the *Addams Family* movies), is a gentle and knowing comedy about stereotypes that also reclaims and embraces stereotypes. A man who adores Barbra Streisand and moves with grace! Oh, the horror! The movie suggests that it isn't gay people that scare many homophobes — it's gay *style*. If, for example, Howard were an openly gay lumberjack who loved football and the Three Stooges, his fellow Hoosiers might shrug. He'd be gay, but at least he'd be *manly*.

But no, Howard is one of those is-he-or-isn't-he guys. He teaches poetry. He gets into fights over whether *Yentl* was a disappointment. He talks with his hands (and his wrists) and can't help surrendering to a disco beat. Yet

he vehemently denies that he's gay — after all, he's due to be married in a week! (Yes, married to a woman who's going nuts from three platonic years with Howard.) So, is he or isn't he? Put it this way: The movie would have little point if it were a

feature-length retread of the famous *Seinfeld* outing episode (not that there's anything *wrong* with that — except that it's been done).

Howard is hounded by the media, including openly gay reporter Peter Malloy (Tom Selleck in a suave turn). Everyone wants to know: *is he or isn't he?* Presumably, the town will rest easier once they know one way or the other. If Howard is gay, he hasn't even come out to *himself*; if not, he's a feminine celibate whom everyone thinks is gay anyway. He can't win. Kevin Kline, a great comedian, nails Howard's confusion, despair, and embarrassment — but never shame. Howard learns to accept his identity — whatever that may be.

Paul Rudnick has written scenes that will go down as classics. The "Exploring Your Masculinity" session is a riot, and the clips from Cameron's oh-so-PC gay-soldier epic *To Serve and Protect* are viciously funny. Frank Oz, a solid actor's director who knows how to stay out of the way of a great script, keeps things moving up to the triumphant finale, which spoofs *Spartacus* as well as *Dead Poets Society*.

And there's superb support from Bob Newhart as Howard's stammering principal, Debbie Reynolds and Wilford Brimley as his parents, and especially the formidable Joan Cusack as Howard's fiancée, who's so bewildered she's borderline psychotic. *In & Out* is somewhat safe and hetero-friendly in the Hollywood tradition of *The Birdcage* — though it *does* dare to show two men in a prolonged smooch — but it's still the freshest, wittiest comedy in a long time.

houses — some of which are in Marion. The Sippican Historical Society will present this special program on Tuesday, September 23 at 7:30 pm in the Parish Hall of St. Gabriel's Church (corner of South and Front Streets in Marion). The speaker will be Mr. Alan Hill, an architect whose practice is devoted to old and antique buildings. Refreshments will be served.

The presentation had its origin in a conversation Mr. Hill had with a real estate broker who confessed that even though she had developed a pretty good sense of "Colonial" houses, "Victorian" houses left her baffled: "Everything seems to be upside-down and backwards," she protested. She was closer to the truth than she knew, because the mind sets behind "Colonial" and "Victorian"

Open Meeting Law Seminar

A seminar on the Open Meeting Law will be held on Wednesday, September 24 at 7:00 pm in the cafeteria of Old Hammondtown School in Mattapoisett (20 Shaw Street, off Route 6). The seminar will be hosted by Plymouth County District Attorney Michael J. Sullivan. The event is open to all appointed and elected officials from neighboring towns and members of the general public.

ORR Task Force

As part of a community relations effort, the Superintendent of Schools at the Old Rochester Regional School District and Massachusetts School Superintendency Union No. 55 will be working with a Communications Task Force during the upcoming year to develop a plan to improve school/community relations. The task force will be composed of students, school council designees, teachers, administrators, school committee members, and community members. The task force, which is modeled on the Technology Task Force which devised the Technology Plan, will meet once a month for one hour.

The Task Force will include one interested community member from each town — Marion, Mattapoisett, and Rochester. Anyone who would like to serve on this task force should forward a letter of interest by September 29, 1997 to: Joan M. Walsh, Superintendent of Schools, Old Rochester Regional School District, 135 Marion Road, Mattapoisett, MA 02739. The first meeting of the Task Force will be in October.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Supervisors will be horrid. Don't argue, just mind. How can you argue with a person who won't listen?

Taurus (April 20-Sept. 20). Allocate your resources. Go over your budget with your sweetheart so you can get something you both want.

Gemini (Sept. 21-June 21). Partnership possibilities attract your attention. A domestic problem clears up. Changes are necessary, but the answer's obvious.

Cancer (June 22-July 22). You have to work. Life gets easier soon. A partner comes to your rescue. Work together to get a big assignment done.

Leo (July 23-Aug. 22). Romance could be quite expensive. Wait and make a more practical purchasing decision.

Virgo (Aug. 23-Sept. 22). Keep your mind on domestic matters. There's a change underway, so make sure it works out in your favor. You'll let go of an anchor. The emphasis is on romance.

Libra (Sept. 23-Oct. 23). Try to get all your paperwork done. Do research and write reports. Domestic matters demand attention. Something there isn't going as planned. Costs are high but money's coming in.

Scorpio (Oct. 24-Nov. 21). Get your finances figured out. Gather up the money that's owed you and pay your debts. Focus on learning.

Sagittarius (Nov. 22-Dec. 21). You start off on a good note, with the moon in your sign. You're powerful, so make your presence known. Get involved in scientific or technical subjects.

Capricorn (Dec. 22-Jan. 19). Finish old business. The answer you've been looking for will become available soon. Your focus is on personal matters. Your self-esteem is growing by leaps and bounds.

Aquarius (Jan. 20-Feb. 18). Friends want all your time. That's fine, except that you have work to do. You're pressed for time. Don't schedule anything.

Pisces (Feb. 19-March 20). Authority figures are a pain in the neck. Put up with them. Life gets easier. Group activities bring you valuable experience.

If You're Having a Birthday This Week: Your focus is on home and family. Make the necessary changes to get things right. Renovations at home go well.

Boating Course in Marion

Could every member of the family operate your boat safely in an emergency? Does everyone know the fundamentals of small boat handling? The basic "rules of the road"? How to use a marine radio properly? Chart basics? Families and individuals can learn the basics of safe boating by joining the classes in Boating Skills and Seamanship offered by the Marion Flotilla of the U. S. Coast Guard Auxiliary at Sippican, Inc. on Route 6 in Marion.

Young people who want to meet the state requirements for those under 16 operating a power boat alone, those who wish to qualify for the discounts offered by some insurance companies to those who have successfully completed a basic safe boating course, new boaters and those who wish to refresh their skills are welcomed.

Registration will be held from 7:00 to 8:00 pm on Wednesday, October 1 at Sippican, Inc. and classes will begin at 7:00 pm on October 8 and continue on Wednesday evenings until December 3. For more information, please contact Renelle LeBlanc at 295-9121 or Jennifer Fletcher at 979-8779.

He's Here...

Every week we hide the aardvark in *The Wanderer*. For those of you not familiar with this practice, here's how it works. Each week we hide a little aardvark (shown above, actual size) somewhere in the newspaper (not counting the aardvark above). If you find him (or even if you don't) you can send in a postcard with your name, address, and phone number to the address below to enter our Aardvark Drawing! This week we are giving away an "I found the Aardvark" lapel pin. Send entrees to: Aardvark, P.O. Box 102, Mattapoisett, MA 02739.

WE ALL MAKE MISTAKES

Fortunately, some can be corrected.

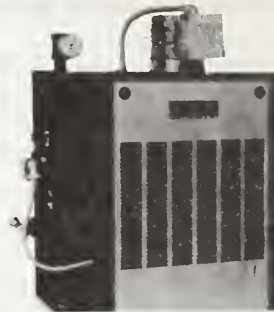

So you should have replaced your old oil-guzzling boiler last year. So you made a mistake. Fortunately, you can still save a bundle this year with a fuel-efficient Smith oil-fired boiler. With its 86% efficiency rating, your Smith boiler pays for itself in fuel savings in no time. Add up the efficiency, comfort and limited lifetime warranty and you'll discover that you can't afford to wait another day.
